How you become *more visible.*

20

new conversations a day with women who fit

10

real comments a day on your ideal clients' posts

1

post or reel a day that points to the quiz

5+

client stories on the site, then more

Plus ads to the quiz when there is a budget. Instagram limits cold messages, so we pace them.

What we will do for you.
Month 1: build.

A new site, eight pages
Home, quiz, three results, offers, story, stories, community, book

A simple funnel
One sign-up, then 3 or 4 emails matched to the colour

Your community on Skool
Set up, branded, ready for members

Client stories
We collect and place them with you

Every month after. *We keep it running.*

Daily outreach

20 conversations and 10 comments, every day

Content that points to the quiz

Posts, reels and stories planned with you

Every quiz result followed up

Within a day, by colour

A weekly numbers report

One change a week, based on what works

Three months, *three goals.*

MONTH 1

Build

New site, emails and community live. First 400 conversations

MONTH 2

Learn

Keep the daily numbers. Double down on what gets replies

MONTH 3

Grow

Launch Arete Monthly and a first team workshop offer

What we aim for *by day 90.*

	DAY 30	DAY 60	DAY 90
Quiz takers a month	40	90	150
Instagram followers	5,100	5,500	6,000
Sales a month	**$880**	**$1,980**	**$3,300**

Targets, not guarantees. Sales use about $22 per quiz taker on placeholder prices (Reset $47, Arete 90 $197, monthly $250). We replace them with your real numbers in week 2. The daily work is certain; the results depend on how people respond.

You built a great assessment. *Now let's work it harder.*
